

JOURNAL OF THE KEW GUILD

INDEX TO VOLUME X (1981-1990)

This index was compiled by a team of volunteers, and was edited by Kenwyn Pearson and Sylvia FitzGerald. Our thanks to all of them.

Where there are many references under one heading, Guild aspects have been separated out as a sub-heading. Entries relating to organisational aspects of The Guild and The Gardens have been indexed under Kew Guild and Kew: RBG respectively; other activities of The Guild and of The Gardens are entered directly, e.g. author's names, Palm House, etc.
