

**JOURNAL OF THE KEW GUILD**  
**INDEX TO VOLUME 11**  
**(1991-1995)**

The increased size of *The Journal*, its coverage of wide-ranging developments at R.B.G. Kew, and the Guild's own affairs (including history and Centenary) have made clear the need for a five-year Index.

The Index for 1991-1995 has been compiled by a team (Mike Clift, Kenwyn Pearson, Richard Ward, John and Joan Woodhams) and edited by Sylvia FitzGerald. We trust you will find it useful.
